# Why BELIEVE

- ★ Our program is designed to dissolve barriers between youth with disabilities and typically developing students in an integrated performing and visual arts education program, set to inspiring music, rooted in a curriculum that cultivates kindness, acceptance, respect and empathy.
- ★ Our students (ages 10-21) participate in classes based upon a passion for music and performing arts because we believe the arts are for everyone!
- ★ Our featured musicians join students on stage performing original and inspiring music alongside student performers - shining their light on everyone involved.

**Why Believe? Because inclusive programs and the arts strengthen communities!**
